

Lonza

Lonza Bend Internship Opportunities

With more than 400 employees, our team at Bend makes **#AMeaningfulDifference** by applying its talent to improve treatments spanning digestive issues, genetic disorders, cancer and Hepatitis C.

Our Intern program is open to applications all year round.

We offer a flexible program (hours and duration) and you will receive a competitive salary in return.

You will be a student pursuing degrees (Bachelor's, Master's, Doctorate or PharmD) in Engineering, Chemistry, or a Pharmaceutical Sciences major.

Applying is easy!

Scan the QR code and make a **Meaningful Difference** at Lonza Bend.
