

College of Science

CONNECT TO YOUR CAREER AT

SCIENCE PRO

Give yourself the competitive edge by engaging in conversations with professionals, discovering new career ideas, and learning what skills you need to be successful.

CAREERS IN FIELD WORK PANEL

The topics will focus on a variety of field work careers and organization where professionals will discuss and provide tips for students interested in field work.

NETWORKING BINGO

Come practice your networking skills while trying to fill out your bingo sheets based on fun facts from community partners. Snacks and refreshments provided.

15 MINUTE CONVERSATIONS

Chat with our community partners in small groups of 5-7 students. Conversations will focus on types of scientists, opportunities for you, and career advice. Bring your questions!

GRADUATE & POSTDOC MIXER

This is a great time to mingle with other graduate students and folks working in a variety of industries. There will be adult beverages and appetizers.
