

Want to work in Biotech?

Come learn more on May 17th

12-1pm Covell 218

Lunch will be provided

Join us and meet Charla Triplett, OSU alum, Founder and President of Catalyze bringing together expertise in Research, Design, and Strategy with a focus on Medical Devices and Digital Health. She is also the Managing Director of Suncoast Ventures, a Venture Capitalist firm focused on supporting early-stage healthcare startups!

She will share about ALL the career opportunities available in biotech.
