

Are you interested in tackling complex environmental engineering challenges?

Tuesday, April 18

5 p.m. to 6 p.m.

Kelley Engineering Center 1005

Come meet with Amentum to learn about the company and current career opportunities!

Join Amentum and be at the heart of the process to bring online a system that will transform nuclear waste into an immobilized form that protects the river, wildlife, and public!

ALL Students Welcome!

Food Will Be Provided!

Accommodations for disabilities may be made by contacting lanell.nolf@oregonstate.edu
