

Scholarships

Helping tomorrow's leaders thrive

We invest fully in the people and communities we serve right from the beginning — through education.

AgWest Farm Credit offers a variety of scholarship opportunities for customers and their children and individuals who are pursuing a career in agriculture.

Deadline:

Application deadline is March 1. Winners announced in May.

AgWest Customer Scholarship

AgWest customers and their sons and daughters who are high school seniors or college students are eligible to apply. Any college, university, vocational or trade program is eligible. Scholarships are \$2,500 and funds are paid to the student's financial aid department at their selected institution. This scholarship can be renewed for one year assuming a minimum GPA of 2.7 is met. See our website for all eligibility requirements.

Championing Agriculture Scholarship

Students currently enrolled in a university or a post-secondary institution within AgWest's service territory are eligible to apply. The degree, certificate or technical program and desired career path must be directly tied to serving the agriculture industry. Scholarships are \$2,500 and funds are paid to the student's financial aid department at their selected institution. This scholarship is awarded once to an individual and is not renewable. See our website for all eligibility requirements.
