# Waste upcycling and Sustainability assessment: Efforts towards creating sustainable food and agricultural systems

---

Dr. Ashish Manandhar (PhD) - Ohio State University

Dr. Ashish Manandhar (PhD) is a Research Scientist in the Department of Food, Agricultural and Biological Engineering at The Ohio State University. Dr. Manandhar received his PhD in Food, Agricultural and Biological Engineering from the Ohio State University and MS in Sustainable Energy Engineering from KTH Royal Institute of Technology in Sweden. His research and teaching interests are in the areas of sustainability science and engineering, circular economy, waste resource recovery, techno-economic analysis and life cycle assessment.

**FRIDAY,  
MARCH 8**  
10 - 11 A.M.

Kelley Engineering  
Center, Room 1005

Free and open to the public.
