

This week in BEE & around OSU

Ongoing BEE Candidate Seminars and Events

As part of our ongoing Faculty Candidate searches, we hold events for students to attend and meet the candidates. We greatly appreciate any input from students regarding who they would love to see join our team at BEE. Feel free to attend any of the following events, and use the following surveys to provide your feedback:

Liang Yu and Mohammad Zarei Feedback Survey: <https://beav.es/cxT>

Millie Chapman Feedback Survey: <https://beav.es/cxq>

Student Lunch: Join us in Gilmore 100 at 11:30 A.M. for a student lunch with faculty candidate [Dr. Liang Yu](#). Togo's will be provided, and get a chance to chat with our candidate!

BEE Teaching Seminar: [Dr. Liang Yu](#) (PhD) from Washington State University Department of Biological Systems Engineering will give the teaching seminar "Economic and Environmental Analysis in Waste-to-Resource Engineering and Biorefinery" at 1:00 P.M. on March 11th in GILM234.

BEE Research Seminar: [Dr. Liang Yu](#) (PhD) from Washington State University Department of Biological Systems Engineering will give the research seminar "Develop Anaerobic Digestion-based Biorefinery for Sustainable Fuels and Chemicals" at 10:00 A.M. on March 12th in STAG263.

Student Lunch: Join us in Gilmore 100 at 11:45 A.M. for a student lunch with faculty candidate [Dr. Millie Chapman](#). Pizza will be provided, and get a chance to chat with our candidate!

BEE Teaching Seminar: [Dr. Millie Chapman](#) (PhD) from the National Center for Ecological Analysis and Synthesis will give the teaching seminar "Active, experiential, and democratized learning for computational environmental science" at 3:00 P.M. on March 12th in KEC1005.

BEE Research Seminar: [Dr. Millie Chapman](#) (PhD) from the National Center for Ecological Analysis and Synthesis will give the research seminar "Addressing Biodiversity Loss in an Age of Algorithms" at 9:00 A.M. on March 13th in KEC1001.

BEE Research Seminar: [Dr. Mohammad Zarei](#) (PhD) from the Virginia Seafood Agricultural Research and Extension Center at Virginia Tech will give the research seminar "Sustainable

Transformations: From Food Waste to Resource Valorization" at 11:00 A.M. on March 14th in STAG263.

Student Lunch: Join us in Gilmore 100 at 12:15 P.M. for a student lunch with faculty candidate [Dr. Mohammad Zarei](#). Food will be provided, and get a chance to chat with our candidate!

BEE Teaching Seminar: [Dr. Mohammad Zarei](#) (PhD) from the Virginia Seafood Agricultural Research and Extension Center at Virginia Tech will give the teaching seminar "Extrusion Processing Technology" at 9:00 A.M. on March 15th in GILM234.

Events and Seminars

Water Resources Engineering Seminar Series – Wednesday, March 13th, 2024
This week: Justice, Equity, Diversity, and Inclusivity in Water Engineering Panel
Speaker: Water JEDIs Group (Oregon State University)
Where: Bexell 328 or [Zoom](#) (Passcode WRE2024)

College of Engineering, Virtual Faculty Lecture with Xue Jin: Efficient Wastewater Recycling For Agriculture: A Sustainable Approach Using Hybrid Electrodialysis And Forward Osmosis. Noon to 1 p.m. March 12. Register for the lecture: <https://beav.es/qyx>. More information: <https://beav.es/qyf>

Water Resources Policy and Management Thesis Defense: You are welcome to attend the thesis defense of Hussam Idris, MS WRPM candidate. He will present "*The Role of International Water Treaties in Mitigating the Transboundary Negative Environmental and Social Impacts of Dams*" on Tuesday, March 12th, 2024, at 9:30 A.M. in Burt 193 or by [Zoom](#) (Passcode 815443). Hussam is advised by Susanne Schmeier.

Water Resources Policy and Management Thesis Defense: You are welcome to attend the thesis defense of Laura Mathieu, MS WRPM candidate. She will present "*Bonds Across Divides: Track III Diplomacy in Environmental Peacebuilding. A case study of EcoPeace Middle East in the Jordan Basin*" on Monday, March 18th, 2024, at 9:00 A.M. by [Zoom](#) or in-person in BURT193. Laura is advised by Laura Peters.

Natural Resources Conservation Service Info Session: The Ecological Engineering Student Society is hosting Kelly Albers, P.E., CCUW/SW Basin Engineer, Federal Women's Program Manager for Oregon USDA-Natural Resources Conservation Service to present about this organization, internship and career opportunities. **March 13th in Peavy 125 from 6-7 P.M.** [Register in Handshake](#)

Gilmore Hall Student Showcase Bulletin Board

At BEE, we love to showcase all of the hard work that our students are putting into their academics and careers. So, we are constructing a bulletin board in Gilmore Hall that will display all of the experiences that our students have had. This may include internships, study abroad, or research programs.

Please fill out this survey to be featured on the bulletin board in Gilmore Hall: https://oregonstate.qualtrics.com/jfe/form/SV_5nxT9JQ2haY5odU

This form will ask if you want to submit any photos, and to do so you must submit a photo release form: [OSU-Model-Release-2021-Short.pdf](#)

You can either submit the form through the survey, or bring it in person to GILM116.

CAS and CoF Leadership Academy, 2024-2025

Application open NOW! Apply online here: <https://agsci.oregonstate.edu/leadership-academy/webform/leadership-academy-cohort>

Applications are due by 11:59pm on Friday, April 5th, 2023.

All majors in CAS and CoF (CH and MB are in CoS/CAS) are encouraged to apply - our content isn't tailored to any specific major-we leave it up to you to take what you learn and apply it to your department. We are focused on delivering you leadership education that you can apply to your individual program.

The Leadership Academy consists of:

- A weekly seminar for the academic year (F'24, W'25, S'25) that meets Wednesdays from 4-5:50pm
- Seminars consist of self-assessments, workshops, guest speakers, panel speakers, book discussions, and networking
- Faculty mentor pairing for the entire year
- Opportunities to engage with alumni, industry, field, agency, and employer partners
- Transcript visible leadership education course
- Over \$14,000 available in funds to students to further YOUR leadership goals
- LEAD stole to wear at graduation

Questions? Email Faith.Vawter@oregonstate.edu

Ecological Engineering Student Society

General Body Meetings: Mark your calendars! EESS general body meetings will be held every other Wednesday from 6-7pm starting on January 17th.

Greenhouse Meetings: All are welcome to join us during our weekly Greenhouse meetings every **Wednesday from 2 to 5 pm**. Drop in and help any time during that time block.

Natural Resources Conservation Service Info Session: The Ecological Engineering Student Society is hosting Kelly Albers, P.E., CCUW/SW Basin Engineer, Federal Women's Program Manager for Oregon USDA-Natural Resources Conservation Service to present about this organization, internship and career opportunities. **March 13th in Peavy 125 from 6-7 P.M.**

Jobs and Internships and Career Events

We Are Hiring – CoE Ambassador

Are you interested in inspiring the next generation of engineers? Apply to be a College of Engineering ambassador and you'll help with the college's outreach and recruitment efforts, student support services, and more! Questions? Contact coe.ambassadors@oregonstate.edu. For more information, visit the [CoE Ambassador Job Posting](#).

Getting a Dam Job: Need help creating a resume, cover letter or government application that stands out? Wondering how to gain experience in your dream field when you're already working a full-time job? Come network, learn and explore possibilities for your future career at one of the Winter 2024 Getting a Dam Job workshops. Corvallis campus and Ecampus students in all majors are welcome; all workshops are offered in virtual or hybrid formats. Sign up for the events you're most interested in here: <https://career.oregonstate.edu/careered/getting-dam-job>.

Register for all career events in Handshake:

March 13th Natural Resources Conservation Service Info Session <https://beav.es/cpR>

April 17th Spring All-Industries Career & Internship Fair <https://beav.es/cqG>

Career Advising Appointments/Office Hours offered for BEE students

Students can schedule 1:1 appointments with Employer Relations Managers who support the schools below. Connect with us on BeaverHub! Schedule appointments with, Josefine Fleetwood. Students will gain insight into: - Building industry/alum connections and building their network on LinkedIn - Industry Trade Associations - Informational Interviews with alums and alumni connections

Oregon State is on Handshake

Handshake is Oregon State's hub for **everything students need from college to career**. The Handshake platform was designed by students, for students with one goal in mind: to help college students find their way to their dream careers. <https://oregonstate.joinhandshake.com/login>

Have you joined BEE's LinkedIn Page yet? We post ALL job announcements to both LinkedIn and Facebook. <https://www.linkedin.com/groups/6711697>

Around Campus

The inaugural Winter Engineering Capstone Showcase at Oregon State University: Don't miss this chance to witness innovative senior projects from the Multidisciplinary Capstone Program and School of Mechanical, Industrial, and Manufacturing Engineering fall cohorts. The event is 4-6:30 p.m. March 11, MU Horizon Room. For more details, check out: <https://lnkd.in/gBfEW2xX>

Dam Proud Day T-shirt Voting Open: Beavers everywhere: [vote on your favorite Dam Proud Day 2024 T-shirt design](#). Help select the official T-shirt designed by an Oregon State student by placing your vote March 6-7 (ends 11:59 p.m.). The final design will be announced on March 12 and will be printed on 1,000 Dam Proud Day T-shirts worn across Oregon State. For questions, contact damproudshirtcontest@osufoundation.org.

Dance celebration: Take time to let go, cut loose, and honor your movement expression in a welcoming space. We will move to engaging music and close with a meditative cool down. Gently facilitated by Julie Masters from 6:30-7:45 p.m. March 7 and 21 and April 4 and 18 at Marigold. [Purchase class passes](#) and [register here](#). Contact: contemplativestudies@oregonstate.edu

Registration open for OSU Out of the Darkness Campus Walk: "HOPE WALKS HERE." Walk with us to save lives and bring hope to those affected by suicide. The Oregon State University Out of the Darkness Campus Walk will feature a resource fair, speakers, honor bead ceremony and campus walk. This event is a collaboration with the American Foundation for Suicide Prevention and is open to all. The walk starts at 10 a.m. Saturday, April 20, SEC Plaza. Register now as an individual or set up a team by registering as a team captain: afsp.org/oregonstate.

Resources

Peer Tutoring: The College of Engineering and College of Science offer free peer tutoring for a wide variety of courses. Check this webpage for more information and schedules - <https://engineering.oregonstate.edu/current-students/academic-support>.

Printing: The College of Engineering Information Technology no longer offers poster printing services. Large format printing requests should be directed to the [OSU Media Hub](#). Students are allowed to print **one** poster per assignment, conference, research project, etc. If you're planning on utilizing this service, then remember to submit your requests in advance since printing requests have a 48-hour lead time.

Free student contraceptive care: [Want free contraceptive care?](#) Oregon ContraceptiveCare (CCare) is a program funded through a grant from the Centers for Medicaid Services and the Oregon Department of Human Services that allows Student Health Services (SHS) to provide free reproductive health care and contraceptive services to OSU students with certain income criteria. Most students qualify. Sign up for CCare by calling SHS at 541-737-9140.

OSU Assist: Mobile Crisis Response OSU Assist is a multi-disciplinary support team that provides compassionate mobile crisis response and wraparound services for students facing mental health challenges or experiencing other forms of distress. This team brings together new personnel and existing university services to support students facing challenges. By calling 911 or 541-737-7000, OSU Assist will be dispatched in crisis situations that meet certain criteria. This could include instances of suicide ideation, substance abuse issues, survivors seeking support and welfare checks. The team provides serve on the Corvallis campus from Wednesday through Sunday, 1 p.m. to 1 a.m., with hours anticipated to expand in future terms. For more information on this service, visit our [website](#), contact [Assistant Dean of Students and Director of Student Care Services Aubrie Piper](#) or attend one of the informational sessions noted below.

Anytime Anywhere: MySSP @ OSU App

This app gives all OSU students, including Ecampus students, 24/7 access by text or phone with a licensed mental health counselor (MySSP stands for "My Student Support Program"). The app makes it easy to schedule short-term counseling appointments with the same ongoing counselor and provides educational materials covering mental health topics. Students can communicate with a counselor in five different languages (Mandarin, Cantonese, French, Spanish or English); additional language options are available upon request. Students can download the Anytime Anywhere: MySSP @ OSU and learn more about the service at beav.es/anytimeanywhere. For questions, please contact [Bonnie Hemrick](#), Director of Mental Health Promotion.

Togetherall: A new mental health resource for OSU students. Togetherall is a safe and anonymous online community where students can share about what they are feeling and get support to improve mental health and well-being. Watch this 1-minute video to learn more: <https://youtu.be/mEt4dblejNo>. Direct students to beav.es/togetherall to join. For questions about this service: tess.websterhenry@oregonstate.edu.

Eat Free: [@eatfreeosu](#) is a Twitter account managed by the Human Services Resource Center student team. This account broadcasts information about open events on campus that also have food available. If your event is closed, but you have extra food, a message can be crafted

asking students to show up at the end of your event. Event organizers can tag @eatfreeosu or call 541-737-3747 during business hours to request their event be posted on the account.
